

Mechanical Repair Service Contract Powertrain & Silver Levels

Two Coverage Levels

Walser Autoguard gives you peace of mind and protects your investment with the most comprehensive Mechanical Service Contract Available.

Almost every component of your vehicle is covered. Listed below are examples of the major component systems covered.*

Powertrain Coverage Level

Our Powertrain Coverage Plan covers the major components of the vehicle and offers protection against many major breakdowns.

Engine

Gasoline Engine – Cylinder block and all internal lubricated parts including:

Crankshaft	Lifters	Timing belt tensioner	Engine oil cooler hoses
Rod and main bearings	Cylinder head	Intake and exhaust manifolds	Engine oil sending unit
Cam bearings	Valves and guides	Flywheel, balance shafts	Engine mounts
Expansion (freeze) plugs	Valve springs	Water pump	Thermostat and housing
Connecting rods	Rocker arms (cam followers)	Vacuum pump	Dipstick and tube
Wrist pins	Pushrods	Harmonic balancer and retainer bolt	Seals and gaskets
Pistons	Timing chain housing (cover)	Crankshaft pulley	Fasteners for the previous listed components
Piston rings	Timing chain and sprockets	Valve covers	
Camshaft	Oil pan	Oil pump and pressure relief valve	
Cam tower	Timing belt and pulleys		

Turbocharged/Supercharged/Rotary/Diesel/Enhanced Engines – All of the above listed parts or equivalent plus:

Turbocharger	All internally lubricated parts	Seals and gaskets
Waste gate controller	Lines and nozzles	

Transmission

Automatic – Case and all internal lubricated parts including:

Oil pump	Bands	TV cable	Cooler hoses and hard lines
Valve body	Drums	Solenoids	Dipstick and tube
Torque converter	Gear sets	Electronic shift control unit	Seals and gaskets
Governor	Bearings	Transmission mounts	Fasteners for the previous listed components
Main shaft	Bushings	Cooler	
Clutches	Sealing rings		

Standard – Case and all internal lubricated parts including:

Main shaft	Synchronizers	Fasteners for the previous listed components
Gear sets	Bearings, bushings	
Shift forks	Seals and gaskets	

Transfer Case (4x4 vehicles) – Case and all internal lubricated parts including:

Main shaft	Bearings, bushings	Fasteners for the previous listed components
Gear sets	Mounts, seals and gaskets	
Chain and sprockets	Electronic and vacuum engagement parts	

Front Wheel Drive

Final drive housing and all internal parts including:

Carrier case	Bushings	Front hub bearings	Drive shaft support
Gear sets	Axle shafts	Rear hub bearings	Seals and gaskets
Chain and sprockets	Universal joints	Locking hub assemblies (4x4)	Fasteners for the previous listed components
Bearings	Constant velocity joints		

Rear Wheel Drive

Drive axle housing and all internal lubricated parts including:

Carrier case	Limited slip clutch pack	Rear hub bearings	Seals and gaskets
Gear sets	Axle shafts	Propeller shafts	Fasteners for the previous listed components
Bearings	Universal joints	drive shaft support	
Bushing	Front hub bearings		

Silver Coverage Level

Silver coverage offers the same coverage as Powertrain, with the following additional benefits.

Steering

Housing/case and all internal lubricated parts including:

Rack and pinion equipped valve assembly	Bearings	Pressure and return hoses
Sector shaft	Bushings	Cooler and hard lines
Rack mounts and cushions	Pitman arm	Power cylinder assembly
Inner rod ends and bellows boots	Center link	Steering main and intermediate shafts
Speed sensor or steering gear equipped pitman shaft and valve assembly	Tie rods	Coupling
Sealing rings	Idler arm	Seals and gaskets
	Power steering pump & pulley	Fasteners for the previous listed components (does not include "rear wheel steering" components.)
	Electric power steering motor	
	Fluid reservoir	

Suspension

Upper and lower control arms	Upper and lower ball joints including dust boots	Stabilizer linkage including mounts and bushings	Seals and gaskets
Bump stop cushions	Steering knuckle (spindle)	Strut rods and bushings	Fasteners for the previous listed components
Control arm shafts	Wheel bearings and seals	King pins	
Torsion bar mounts and bushings	Stabilizer shaft		

Brakes

Master cylinder	Disk brake calipers (and rear caliper actuators)	Springs	linkage and cables
Assist booster	Hard lines and fittings	Clips and retainers	Seals and gaskets
Wheel cylinders	Backing plates	Self-adjusters	Fasteners for the previous listed components
Combination valve		Parking brake	

Electrical

Alternator	Wiring harnesses	Electronic fuel injection system (including all input/sensors & output/control units, except EGR valve, related to the fuel injection system)	Distributor and coil
Voltage regulator	Manually operated switches (specifically turn signal, headlight, dimmer, and wiper switches)	Electronic ignition module	Engine management control unit
Front and rear windshield wiper motors and delay controller	Mechanically actuated switches (ignition, brake light and neutral safety switch)		Knock sensor and oxygen sensor
Starter motor and drive			
Starter solenoid			

Air Conditioning

Compressor and mounting brackets	Temperature control programmer	Thermostat	Freon-refrigerant if necessary in conjunction with the repair of the components previously listed
Clutch and pulley	High/low pressure cutoff switches	Drier	
Condenser	High/low pressure hoses	Temperature control head	
Evaporator	Pressure cycling switch	O-ring seals	
Orifice tube		Gaskets	
Accumulator		Fasteners for the previous listed components	

Additional Benefits

24 Hour Roadside Assistance

24 hours a day and 7 days a week assistance. Your roadside assistance benefit pays up to \$150 per occurrence for covered roadside assistance.

Travel Coverage

If your vehicle breaks down, due to a covered mechanical failure, while traveling over 100 miles from home, you will be reimbursed up to \$75 per day for a maximum of \$375 per occurrence. Covered expenses include hotels, transportation and food.

Rental Vehicle Coverage

If your vehicle breaks down, due to a covered mechanical failure, you will receive vehicle rental coverage up to \$35 per day, with a maximum of 5 days, not to exceed \$175 per occurrence.

Mechanical Repair Service Contract Platinum Level

In addition to the coverage provided by our Powertrain and Silver options, Platinum expands to cover almost every assembly of your vehicle.

Platinum Coverage Plan

Engine

Gasoline Engine – Cylinder block and all internal lubricated parts including:

Crankshaft	Lifters	Timing belt tensioner	Engine oil cooler hoses
Rod and main bearings	Cylinder head	Intake and exhaust manifolds	Engine oil sending unit
Cam bearings	Valves and guides	Flywheel, balance shafts	Engine mounts
Expansion (freeze) plugs	Valve springs	Harmonic balancer and retainer bolt	Water pump
Connecting rods	Rocker arms (cam followers)	Crackshaft pulley	Thermostat and housing
Wrist pins	Pushrods	Valve covers	Vacuum pump
Pistons	Timing chain housing (cover)	Oil pan	Dipstick and tube
Piston rings	Timing chain and sprockets	Oil pump and pressure relief valve	Seals and gaskets
Camshaft	Timing belt and pulleys		Fasteners for the previous listed components
Cam tower			

Turbocharged/Supercharged/Rotary/Diesel/Enhanced Engines –

All of the above listed parts or equivalent plus:

Turbocharger	All internally lubricated parts	Seals and gaskets
Waste gate controller	Lines and nozzles	

Transmission

Automatic – Case and all internal lubricated parts including:

Oil pump	Bands	TV cable	Cooler hoses and hard lines
Valve body	Drums	Solenoids	Dipstick and tube
Torque converter	Gear sets	Electronic shift control unit	Seals and gaskets
Governor	Bearings	Transmission mounts	Fasteners for the previous listed components
Main shaft	Bushings	Cooler	
Clutches	Sealing rings		

Standard – Case and all internal lubricated parts including:

Main shaft	Synchronizers	Fasteners for the previous listed components
Gear sets	Bearings, bushings	
Shift forks	Seals and gaskets	

Transfer Case (4x4 vehicles) – Case and all internal lubricated parts including:

Main shaft	Bearings, bushings	Fasteners for the previous listed components
Gear sets	Mounts, seals and gaskets	
Chain and sprockets		Electronic and vacuum engagement parts

Front Wheel Drive

Final drive housing and all internal parts including:

Carrier case	Bushings	Front hub bearings	Drive shaft support
Gear sets	Axle shafts	Rear hub bearings	Seals and gaskets
Chain and sprockets	Universal joints	Locking hub assemblies (4x4)	Fasteners for the previous listed components
Bearings	Constant velocity joints		

Rear Wheel Drive

Drive axle housing and all internal lubricated parts including:

Carrier case	Limited slip clutch pack	Rear hub bearings	Seals and gaskets
Gear sets	Axle shafts	Propeller shafts	Fasteners for the previous listed components
Bearings	Front hub bearings	Universal joints drive shaft support	
Bushing			

Brakes

Master cylinder	Disk brake calipers (and rear caliper actuators)	Springs	linkage and cables
Assist booster	Wheel cylinders	Clips and retainers	Seals and gaskets
Combination valve	Hard lines and fittings	Self-adjusters	Fasteners for the previous listed components
	Backing plates	Parking brake	

Steering

Housing/case and all internal lubricated parts including:

Rack and pinion equipped valve assembly	Sealing rings	Fluid reservoir
Sector shaft	Bearings	Pressure and return hoses
Rack mounts and cushions	Bushings	Cooler and hard lines
Inner rod ends and bellows boots	Pitman arm	Power cylinder assembly
Speed sensor or steering gear equipped pitman shaft and valve assembly	Center link	Steering main and intermediate shafts
	Tie rods	Coupling
	Idler arm	Seals and gaskets
	Power steering pump & pulley	Fasteners for the previous listed components (does not include "rear wheel steering" components.)
	Electric power steering motor	

Suspension

Upper and lower control arms	Torsion bar mounts and bushings	Wheel bearings and seals	Strut rods and bushings
Bump stop cushions	Upper and lower ball joints including dust boots	Stabilizer shaft	King pins
Control arm shafts	Steering knuckle (spindle)	Stabilizer linkage including mounts and bushings	Seals and gaskets
			Fasteners for the previous listed components

Electrical

Alternator	Wiring harnesses	Electronic fuel injection system (including all input/sensors & output/control units, except EGR valve, related to the fuel injection system)	Distributor and coil
Voltage regulator	Manually operated switches (specifically turn signal, headlight, dimmer, and wiper switches)	Mechanically actuated switches (ignition, brake light and neutral safety switch)	Engine management control unit
Front and rear windshield wiper motors and delay controller			Knock sensor and oxygen sensor
Starter motor and drive			
Starter solenoid			Electronic ignition module

Air Conditioning

Compressor and mounting brackets	Temperature control programmer	Drier	Freon-refrigerant if necessary in conjunction with the repair of the components previously listed
Clutch and pulley	High/low pressure cutoff switches	Temperature control head	
Condenser	High/low pressure hoses	O-ring seals	
Evaporator	Pressure cycling switch	Gaskets	
Orifice tube	Thermostat	Fasteners for the previous listed components	
Accumulator			

Manufacturer Installed

Radios
Navigation units
Speakers
Hands free link

All External Drivetrain Modules

Differential actuators
Transfer case encoder motor and module

Platinum Exclusive Covered Parts

Additional Parts

Anti-lock brake system	Low fuel sensor	Radiator
Power seat motor(s) and transmission(s)	Low coolant sensor	Radiator fan and clutch
Oil filter adapter/housing	Low oil sensor	Radiator fan motor including fan blade
Temperature sending unit	Electronic rear view mirror motor(s)	Temperature sensor and relay
Fuel supply pump	Headlight door motor(s)	Fuel tank and hard lines
Vacuum modulator	Heated back glass	Fuel tank sending unit
Power window motor(s) and power regulator(s)	Windshield wiper pump(s)	Power sunroof motor
Power door lock actuator(s)	Heater-A/C blower motor	Convertible top motor
Digital and analog instrument display(s)	Heater core assembly	Constant velocity joints
	Heater control valve	Horn assembly

Airbag Systems

Modules
Sensors

Emissions

Vapor canister	Purge valve
Solenoid valve	Air pumps

Sunroof

Guides and frame
Rails

Latch Mechanisms for

Glove box	Doors
Consoles	Etc.

Transmission Control Module

Seat Tracks & Adjuster Assemblies

Seat Heater Elements and Module

Seat Belt Mechanisms and Retractors

With Platinum Level Protection, it's actually just easier to say what *isn't* covered:

Wearable items (tires, brake pads, belts, hoses, exhaust system etc)
Maintenance service & parts (oil filter, spark plugs etc)
Glass, glass framework & adhesives
Carburetor

Light bulbs and headlamps
Trim, molding, bright metal, body panels, structural framework, bumpers
Vinyl convertible top
Accessories not installed by the manufacturer
Upholstery

Additional Benefits

24 Hour Roadside Assistance

24 hours a day and 7 days a week assistance. Your roadside assistance benefit pays up to \$150 per occurrence for covered roadside assistance.

Travel Coverage

If your vehicle breaks down, due to a covered mechanical failure, while traveling over 100 miles from home, you will be reimbursed up to \$75 per day for a maximum of \$375 per occurrence. Covered expenses include hotels, transportation and food.

Rental Vehicle Coverage

If your vehicle breaks down, due to a covered mechanical failure, you will receive vehicle rental coverage up to \$35 per day, with a maximum of 5 days, not to exceed \$175 per occurrence.
