

WalserCare
Certified

10 years / 150,000 miles

Qualifying Used Vehicles

Up to 75,000 miles | Current model year plus five years old | Other restrictions apply - ask for full details

WalserCare Plus // add-on coverage

WalserCare +
Plus

Get total peace of mind with WalserCare Plus. This coverage includes everything from the Powertrain Plan plus covers nearly every assembly of your vehicle.

Steering

Housing/case and all internal lubricated parts including:

Rack and pinion equipped valve assembly	Bearings	Pressure and return hoses
Sector shaft	Bushings	Cooler and hard lines
Rack mounts and cushions	Pitman arm	Power cylinder assembly
Inner rod ends and bellows boots	Center link	Steering main and intermediate shafts
Speed sensor or steering gear equipped pitman shaft and valve assembly	Tie rods	Coupling
Sealing rings	Idler arm	Seals and gaskets
	Power steering pump & pulley	Fasteners for the previous listed components (excludes "rear wheel steering" components)
	Electric power steering motor	
	Fluid reservoir	

Suspension

Upper and lower control arms	Torsion bar mounts and bushings	Wheel bearings and seals	Strut rods and bushings
Bump stop cushions	Upper and lower ball joints including dust boots	Stabilizer shaft	King pins
Control arm shafts	Steering knuckle (spindle)	Stabilizer linkage including mounts and bushings	Seals and gaskets
			Fasteners for the previous listed components

Electrical

Alternator	Starter solenoid	Mechanically actuated switches (ignition, brake light and neutral safety switch)	Electronic ignition module
Voltage regulator	Wiring harnesses	Electronic fuel injection system (including all input/sensors & output/control units, except EGR valve, related to the fuel injection system)	Distributor and coil
Front and rear windshield wiper motors and delay controller	Manually operated switches (specifically turn signal, headlight, dimmer, and wiper switches)		Engine management control unit
Starter motor & drive			Knock sensor and oxygen sensor

Air Conditioning

Compressor and mounting brackets	Accumulator	Pressure cycling switch	O-ring seals
Clutch and pulley	Temperature control programmer	Thermostat	Gaskets
Condenser	High/low pressure cutoff switches	Drier	Fasteners for the previous listed components
Evaporator	High/low pressure hoses	Temperature control head	Freon-refrigerant if necessary in conjunction with the repair of the components previously listed
Orifice tube			

Brakes

Master cylinder	Disk brake callipers (and rear calliper actuators)	Clips and retainers	Springs
Assist booster	Hard lines and fittings	Self-adjusters	Seals and gaskets
Wheel cylinders	Backing plates	Parking brake linkage and cables	Fasteners for the previous listed components
Combination valve			

Additional Parts

Anti-lock brake system	Low fuel sensor	Radiator
Power seat motor(s) and transmission(s)	Low coolant sensor	Radiator fan and clutch
Oil filter adapter/housing	Low oil sensor	Radiator fan motor including fan blade
Temperature sending unit	Electronic rear view mirror motor(s)	Temperature sensor and relay
Fuel supply pump	Headlight door motor(s)	Fuel tank and hard lines
Vacuum modulator	Heated back glass	Fuel tank sending unit
Power window motor(s) and power regulator(s)	Windshield wiper pump(s)	Power sunroof motor
Power door lock actuator(s)	Heater-A/C blower motor	Convertible top motor
Digital and analog instrument display(s)	Heater core assembly	Constant velocity joints
	Heater control valve	Horn assembly

Manufacturer Installed

Radios	Speakers
Navigation units	Hands free link

Airbag Systems

Modules
Sensors

Sunroof

Guides and frame
Rails

Transmission Control Module

Seat Heater Elements and Module

All External Drivetrain Modules

Differential actuators
Transfer case encoder motor and module

Emissions

Vapor canister	Purge valve
Solenoid valve	Air pumps

Latch Mechanisms

Glove box	Doors
Consoles	Etc.

Seat Tracks & Adjuster Assemblies

Seat Belt Mechanisms and Retractors

With WalserCare Plus on WalserCare Certified vehicles, it's actually just easier to say what *isn't* covered:

Wearable items tires, brake pads, belts, hoses, exhaust system, etc.	Trim, molding, bright metal, body panels, structural framework, bumpers
Maintenance service & parts oil filter, spark plugs, etc.	Vinyl convertible top
Glass, glass framework & adhesives	Accessories not installed by the manufacturer
Carburetor	Upholstery
Light bulbs and headlamps	

Additional Benefits // included with all WalserCare coverage

24 Hour Roadside Assistance

24 hours a day and 7 days a week assistance. Your roadside assistance benefit covers things like towing, gasoline delivery, changing a flat tire, lock-out assistance and more.

Travel Coverage

Get reimbursed for covered travel expenses like hotels and transportation if your vehicle breaks down, due to a covered mechanical failure, while traveling far from home.

Rental Vehicle Coverage

If your vehicle breaks down, due to a covered mechanical failure, you will receive vehicle rental coverage to get you back on the road.

Powertrain Plan

Complimentary with WalserCare Certified vehicles, this Limited Powertrain Warranty offers protection against many major breakdowns.

Engine

Gasoline Engine – Cylinder block and all internal lubricated parts including:

Crankshaft	Cam tower	Timing belt and pulleys	Oil pump and pressure relief valve
Rod and main bearings	Lifters	Timing belt tensioner	Engine oil cooler hoses
Cam bearings	Cylinder head	Intake and exhaust manifolds	Engine oil sending unit
Expansion (freeze) plugs	Valves and guides	Flywheel, balance shafts	Engine mounts
Connecting rods	Valve springs	Harmonic balancer and retainer bolt	Water pump
Wrist pins	Rocker arms (cam followers)	Crankshaft pulley	Thermostat and housing
Pistons	Pushrods	Valve covers	Vacuum pump
Piston rings	Timing chain housing (cover)	Dipstick and tube	Seals and gaskets
Camshaft	Timing chain and sprockets	Oil pan	Fasteners for the previous listed components

Turbocharged/Supercharged/Rotary/Diesel/Enhanced Engines – All of the above listed parts or equivalent plus:

Turbocharger	All internally lubricated parts	Seals and gaskets
Waste gate controller	Lines and nozzles	

Transmission

Automatic – Case and all internal lubricated parts including:

Oil pump	Bands	TV cable	Cooler hoses and hard lines
Valve body	Drums	Solenoids	Dipstick and tube
Torque converter	Gear sets	Electronic shift control unit	Seals and gaskets
Governor	Bearings	Transmission mounts	Fasteners for the previous listed components
Main shaft	Bushings	Cooler	
Clutches	Sealing rings		

Standard – Case and all internal lubricated parts including:

Main shaft	Synchronizers	Fasteners for the previous listed components
Gear sets	Bearings, bushings	
Shift forks	Seals and gaskets	

Transfer Case (4x4 vehicles) – Case and all internal lubricated parts including:

Main shaft	Bearings, bushings	Fasteners for the previous listed components
Gear sets	Mounts, seals and gaskets	Electronic and vacuum engagement parts
Chain and sprockets		

Front Wheel Drive

Final drive housing and all internal parts including:

Carrier case	Bushings	Front hub bearings	Drive shaft support
Gear sets	Axle shafts	Rear hub bearings	Seals and gaskets
Chain and sprockets	Universal joints	Locking hub assemblies (4x4)	Fasteners for the previous listed components
Bearings	Constant velocity joints		

Rear Wheel Drive

Drive axle housing and all internal lubricated parts including:

Carrier case	Limited slip clutch pack	Rear hub bearings	Seals and gaskets
Gear sets	Axle shafts	Propeller shafts	Fasteners for the previous listed components
Bearings	Front hub bearings	Universal joints drive shaft support	
Bushing			

WALSER

The information provided in this brochure is intended to provide a general summary of your benefits. Please see your contract agreement for full details. Walser Autoguard 190923mn © 2019 Walser Automotive Group

Excludes: Acura NSX, Alfa Romeo, Aston Martin, Audi, Bentley, BMW, Cadillac CTS-V, Chevrolet Callaway Camaro, Callaway Corvette, Camaro ZL1, City Express, Corvette ZR1/Z06, Crosslander, Dodge Challenger SRT Demon, Hellcat (all models), Sprinter, Viper, Ferrari, Fiat (before 2010), Ford GT, Roush, Saleen, Transit Connect, Isuzu (after 2009), Jaguar, Jeep Trackhawk, Lamborghini, Land Rover, Lexus LF (all models), Lotus, Maserati, Maybach, McLaren, Mercedes-Benz, MINI, Nissan GT-R, Micra, NV, Peugeot, Porsche, RAM ProMaster, Renault, Rolls Royce, Saab, Shelby Aftermarket Vehicles, Tesla, Volkswagen V12, W12, Any vehicle with a G.V.W. over 12,000 lbs., Vehicles with a voided or rescinded factory warranty, Flatbed trucks, Cab and chassis trucks, Vehicle rating over 1 ton, Box beds, All fuel cell vehicles, Incomplete vehicles, Vehicles with right-hand steering, Hand-made vehicles, Police vehicles and Limousines

WalserCare

Experienced

3 months / 3,000 miles

Qualifying Used Vehicles

75,000-150,000 miles | Current model year plus 11 years old
Other restrictions apply - ask for full details

WalserCare Experienced Powertrain Plan

3 Months / 3,000 Miles Limited Powertrain Warranty

Engine

All internal lubricated parts including:

Pistons	Springs
Pins and rings	Guides
Connecting rods and bearings	Seats and lifters
Crankshaft and main bearings	Rocker arms
Camshaft	Shafts and bushings
Followers and cam bearings	Timing gear, chain or belt
Push rods	Tensioners and retainers
Valves	Eccentric shaft and oil pump
	Engine head(s) and engine block if damaged by the failure of an internally lubricated part.

All internally lubricated parts of the turbocharger/supercharger, including:

Wastegate vanes	The turbocharger/supercharger housing is covered only if damaged by the failure of an internally lubricated part.
Shafts and bearings	
Seals and gaskets	

Rotary engines:

Rotor chamber	All internally lubricated parts
Main shaft bearing	Seals and gaskets
Rotor	

Also covered are the following:

Water pump	Engine torque strut
Thermostat	Timing cover
Oil pan	Valve cover(s)
Oil sending unit	Harmonic balancer
Intake and exhaust manifolds	Flywheel (flexplate) and flywheel ring gear
Engine mounts and cushions	Vacuum pump
	Dipstick and tube
	All pulleys/tensioners

Transmission/Transfer Case

Transmission case
Transfer case
Torque converter
All internally lubricated parts contained within the cases
Filler tube and dipstick
Vacuum modulator
Transmission mounts
Transmission cooler lines
Seals and gaskets

Drive Axle

Differential housing
Transaxle housing
Final drive housing
All internally lubricated parts of the foregoing
Axle shafts
Constant velocity joints
Universal joints
Drive shafts
Locking hubs
Hub bearings
Locking rings
Supports
Retainers and bearings
Seals and gaskets

Additional Benefits

24 Hour Roadside Assistance

24 hours a day and 7 days a week assistance. Your roadside assistance benefit covers things like towing, gasoline delivery, changing a flat tire, lock-out assistance and more.

Travel Coverage

Get reimbursed for covered travel expenses like hotels and transportation if your vehicle breaks down, due to a covered mechanical failure, while traveling far from home.

Rental Vehicle Coverage

If your vehicle breaks down, due to a covered mechanical failure, you will receive vehicle rental coverage to get you back on the road.
