Paintless Dent Repair

Paintless Dent Repair (PDR) is an improved way of removing small dents and dings from your vehicle's sheet metal surfaces without damaging the factory finish.

PDR works from behind the dent, therefore it does not require sanding, painting or body fillers - it's more convenient and less time consuming than traditional body shop repairs.

No restrictions to the number of claims

No deductible, no out-of-pocket expense

Repairs are guaranteed for the term of the contract

Program is transferable to the next owner of the vehicle
